### FEATURED ROSÉ - CHÂTEAU SIMONE 2015

The tiny Appellation of Palette lives right in the center of Provence. Here, Château Simone makes stunningly unique and ageworthy wines. Their rosé, a blend of southern French red grapes, is lush, full, and vibrant with layers of herbs and crushed red fruits highlighted by a burst of watermelon. Serious stuff.

## BURGUNDY AND BEYOND

“I desire to be drowned in a barrel of wine from Beaune so that my death will be easy and good.” –George Plantagenet [Before his execution for treason]. Could death by Oregon Pinot Noir or perhaps even Gamay be as gratifying? You decide.

### VALDICAVA BRUNELLO DI MONTALCINO

Nowadays their mystical Brunellos are known throughout the world as some of the best. Below we offer a vertical of Valdicava for the serious lover of Brunello.

## LES RAISINS DU RHÔNE

---

The grapes that made their names in the Rhône Valley and Southern France. These vary stylistically but all have the commonality of exhibiting a “garrigue” character, a wine term meaning reminiscent of the herbs growing wild in the French Mediterranean countryside, including lavender, sage, rosemary, juniper, and thyme.

### FEATURED "OFF THE BEATEN PATH" WINERY: PEARL MORISSETTE

Francois Morissette apprenticed under some of the best winemakers in Burgundy before starting his own project in the Niagara Peninsula region of Ontario, making "uncompromising wines of terroir." His 2019 "Furie" is light, vibrant, has no new oak, and embodies a powerful delicacy that showcases the gentle purity of cabernet sauvignon. Not your usual cab sauv.
